Mixed Drinks

Margarita

Use good tequila and mix in a batch. Serve over ice.

 $\begin{array}{c|ccc} 50\,\mathrm{ml} & \mathrm{tequila} \\ 25\,\mathrm{ml} & \mathrm{triple\ sec} \\ 25\,\mathrm{ml} & \mathrm{lime\ juice} \end{array}$

A single $100\,\mathrm{ml}$ serving has about the same alcohol content as two $12\,\mathrm{oz}$ light beers when made with $40\,\mathrm{proof}$ triple sec.
